My ideal school
Man Tsz Ho, Macro (Hong-Kong)

My ideal school is in the countryside¹. The students don't need to wear uniform. There are many school facilities. It has a five-storey² building with a sport court. On the ground floor, there are a playground, a canteen and a hall. There are many special rooms on the first floor. There are a library, two computer rooms, an art room, a music room and a classroom. There are ten classrooms and two toilets on each floor. In the sport court, there are two changing rooms, two toilets, two basketball courts, four badminton courts and a football ground.
